

April 25, 2019

Representative Brian Babin
United States House of Representatives
2236 Rayburn House Office Building
Washington, DC 20515

Dear Representative Babin:

The Texas Municipal Police Association writes in support of the critical legislation you introduced in the U.S. House of Representatives: the Threat Assessment, Prevention, and Safety (TAPS) Act of 2019 (H.R. 838).

TMPA represents over 28,000 Texas law enforcement officers. Our association exists solely because of our members, and it is our mission to always be there for them. From providing unmatched legal protection to improving legislation that protects and affects officers to emergency response and personal assistance, we are dedicated in supporting our members in whatever capacity.

The Threat Assessment, Prevention, and Safety Act of 2019 falls in line with our mission to support legislation that would support the work of law enforcement. If enacted, this act will keep our communities safe by putting measures in place that will prevent targeted violence.

Thank you for your continued support of Texas law enforcement.

Aaron Crowell
President
Texas Municipal Police Association
